

# ALL IN

## Finish Strong

**MARCH 3, 2024**

We are now in the second half of our two-year ALL IN journey. Something that we'll all run into along the way is this: Growth takes time. You can't rush it. As much as we want to fast forward and fix things, God's saying, "Trust the process, and follow me."

### DISCUSSION QUESTIONS

1. What are some of your hopes, some of your goals for spiritual growth?
2. What are some of the things that you find yourself praying, "God, fix this," and it doesn't seem like it's happening quickly enough?
3. What have you learned/are you learning as you wait for God to finish what he started?
4. A prayer for this series: God, help me to see as you see and do as you say. If you saw people, your relationships, your work, your money, your time more the way God sees it, what's something you could do about it this week?
